THE
ARTISAN
COLLECTION

Almost 75 years of housebuilding expertise and innovation distilled into our flagship range of new homes.

Artisan traditions sit at the heart of Bellway, who for more than 70 years have been constructing homes and building communities. This proud history provides us with a solid foundation from which to develop and grow; culminating in the launch of our Artisan Collection.

Timeless qualities, such as craftsmanship, attention to detail and excellence, are combined with contemporary construction techniques to create a new generation of properties suited to today's homebuyer. External design features reflect the local environments in which we build and a refreshed and improved internal

specification carefully marries design with practicality, meeting the aspirations of our valued customers and creating homes people want to live in.

The feedback from our customers across Great Britain has helped to develop the house styles within this new range, which embody our high standards of quality and sustainability, together with an unwavering belief in workmanship. Today's lifestyles demand exceptional new homes. The Artisan Collection delivers that and more, to become our hallmark of excellence and legacy for tomorrow.

All of our homes are equipped with superior fixtures and fittings, which dovetails perfectly with our focus on design and attention to detail.

Dedicated to delivering quality

Make your new home as individual as you are

Additions

Every Bellway home comes with high quality fittings as standard, but to add that personal touch you can also choose to upgrade from our range of options, subject to build stage, to make sure your new home feels distinctly different.

Most important of all, because we recognise that you want your new home to reflect your personal taste from day one, we will make sure that all your Additions choices are expertly fitted and finished by the time you move in.

Customer Care

From the first day you visit one of our sales centres to the day you move in, we aim to provide a level of service and after-sales care that is second to none.

Each home is quality checked by our site managers and sales advisors, after which we invite our customers to a pre-occupation visit. These personalised visits provide a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing high levels of customer care and building quality homes is our main priority. However, we are aware that errors do sometimes occur and where this happens

it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity.

In managing this process we have after sales support that is specifically tasked to respond to all customer enquiries.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home. A 10 year NHBC warranty provides further peace of mind.

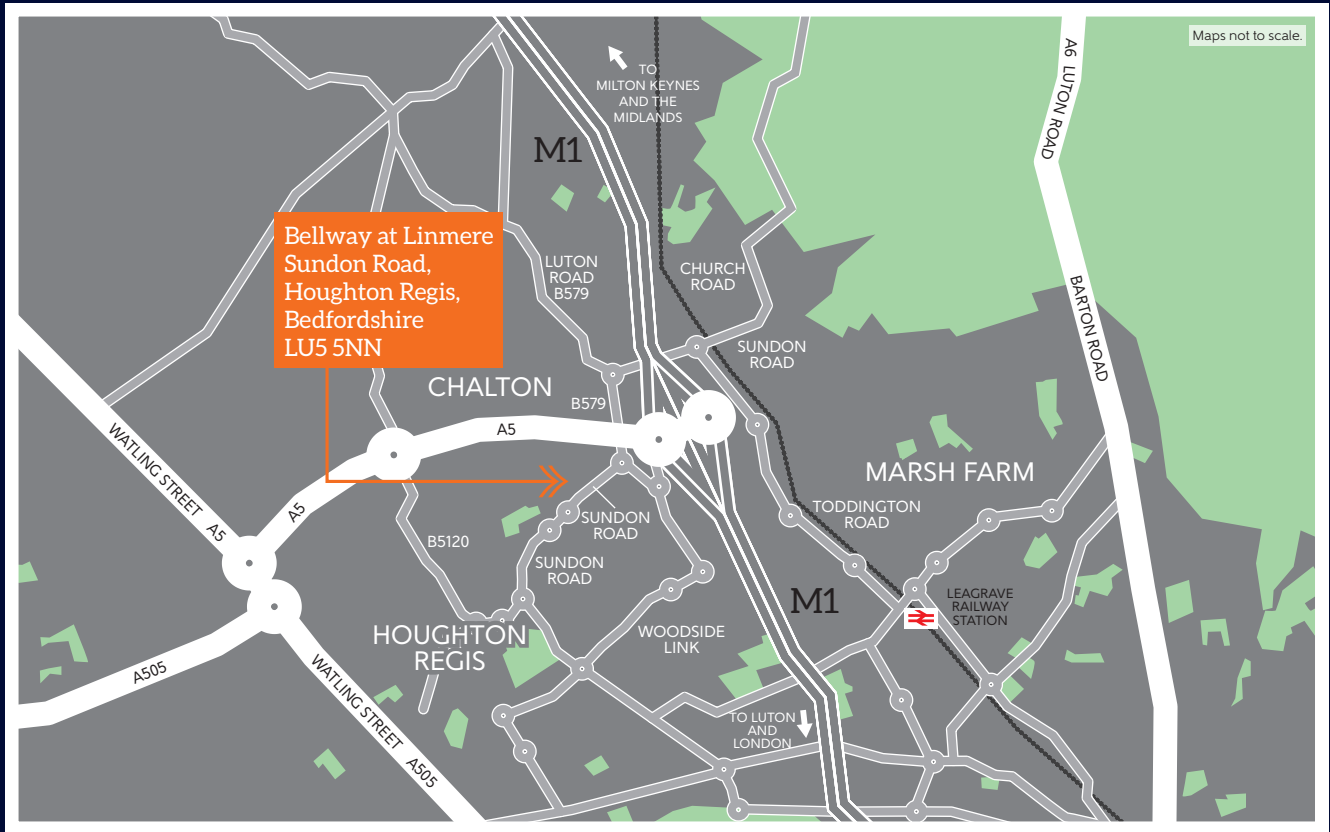

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
