## Location:

The premises form part of a parade of principally shop units with residential accommodation over fronting Cheveral Avenue in the popular Radford area of Coventry 2 miles north of the City Centre. There is a limited stay car parking bay to the immediate frontage, otherwise car parking is available on the nearby streets and there is also a bus stop to hand. The busy Jubilee Crescent shopping area is a short distance away with a number of national and local concerns including Asda, Tesco Metro, Domino's Pizza, Greggs, Subway, Lloyds Pharmacy, TSB, etc.

## Description:

The premises comprise a mid-terraced unit with accommodation on two floors plus converted attic room. The ground floor has traded for many years as a unisex hairdresser (Cheveral Hair (and tanning service)), but is considered suitable for a variety of other uses, subject to obtaining any necessary consents. The flat briefly comprises: GF - entrance hall. FF - lounge; bedroom; bathroom and kitchen. Converted Attic Room (currently used for storage/sleeping). There is a former garage at the rear (used for storage) arrived at via a shared accessway from Villa Road and Telfer Road. While the flat is currently accessed from the rear of the property via the utility area of the shop, an independent access could readily be installed. The premises are available to purchase with vacant possession of the whole or alternatively a lease of the ground floor could also be entered into (for use as a hairdressers).
