ROGER HEMMING'S VIEW...

Perhaps one of the best things about our job is when we get to see a property that's rather tired and we're then able to go back once it's been completely transformed and this chalet bungalow's certainly a great example of this! It's been professionally modernised and improved throughout, there's no doubt it now offers flexible and stylish living space. There's a sparkling new kitchen with several built-in appliances and this leads into a bright and well-proportioned open-plan dining room, which overlooks the rear garden. The property has a comfortable dual-aspect living room which could easily be used as a third bedroom, as there's a ground floor bathroom with a white suite and a shower over the bath. Upstairs are two double bedrooms and a new en-suite shower room and loo. The insulation has been improved and as there's no mains gas supply in the village, new and efficient high-heat retention electric heaters have been fitted. 5 Tencery Orchard has been carefully redecorated throughout and there are new quality floorcoverings too.

"This chalet-bungalow's got so much going for it, we love it and we're sure you will too!"

"It's been modernised and upgraded with such care, there's really nothing further that needs doing, it's like a new pin inside..."
