ROGER HEMMING'S VIEW...

This is an interesting modern property with two bedrooms and it occupies a convenient central spot close to all that the East Devon market town of Honiton has to offer. The compact and easily maintained living space is electrically heated and double-glazed and it's presented in excellent general order. The accommodation has a comfortable living room, a handy cloakroom and a fitted galley kitchen with an oven, hob and hood. Upstairs are the two bedrooms, a double and a single, the single is currently used as a home office. The bathroom has a white suite with a shower over the bath. This one would be an ideal first purchase for a young couple, it could also be a shrewd buy-to-let investment and we'd suggest a monthly rental income of £750.00 to be achievable.

Priced to sell and with no onward chain, this property's a little gem, so when can we show you around?

"There's no chain with 3 Whitestar and it's certainly been priced to sell. The seller is able to offer a speedy completion, you could easily be in by Christmas!"

WHAT THE AGENT SAYS...

3 Whitestar has an allocated parking space immediately to the front of the cottage. There's a small seating area to the rear and this extends around the side of the house.

Because of its convenient location, this low-maintenance modern home may well suit someone who doesn't drive and wants to be in the centre of town as a result. Honiton's shops and businesses are all just a moment away.

The East Devon market town of Honiton has a fast road link to Exeter and Junction 29 of the M5 Motorway. The coastal resorts of Lyme Regis, Sidmouth and Seaton are all less than half an hour's drive.
