ROGER HEMMING'S VIEW...

Built in 2022 and presented in genuine "as new" condition and with no onward chain, this is a spotless modern semi with three well-proportioned bedrooms. The gas centrally heated and double-glazed living space has an B/84 rated EPC and it provides bright and spacious low-maintenance accommodation that's not going to cost a fortune to heat. There's a traditional entrance hall and the principal rooms all have quality floorcoverings. To the front is a comfortable living room and this leads through to an inner hallway with a handy cloakroom. The property has a smart fitted kitchen with plenty of storage and working space, the integrated oven, hob and hood are included in the sale. There's useful space for a table and chairs and glazed double-doors then lead out into the enclosed rear garden. Bedroom one has an attractive en-suite and two of the bedrooms have fitted wardrobes. The family bathroom has a white suite with a shower over the bath.

"Even though 42 Old Show Field Way is three years old, the owner's lived abroad for most of that time. This is why it looks like it does, the reality is that it's hardly been lived in!"

WHAT THE AGENT SAYS...

To the front is a private off-road parking area with the space for a couple of cars. We're hugely impressed with this modern family home and we're sure you'll be as well.
