Description

The current owners of this park home have completely renovated the property over the past seven years. They have upgraded with UPVC windows and doors, new internal doors, flooring, insulation, a security system, and renewed under home supports. In addition, they have added a stunning conservatory off the living room, offering breath taking views over the River Wye and beyond.

This beautifully presented detached Stately Albion park home was sited in 1997 and is a must-see to fully appreciate all of the upgrades. The property features a reception hall, spacious kitchen dining room with majority built-in appliances and a separate utility room. The dining area opens up to a raised seating area with bi-fold doors, perfect for enjoying the scenic views. The living room leads to the conservatory, which also has access to the raised seating area. A study, two double bedrooms (one with an en-suite shower room), and a bathroom complete the interior.

Outside, the landscaped gardens provide direct access to the residents' riverfront walkway. This park home offers a perfect blend of modern amenities and natural beauty, making it a truly special place to call home.

The property itself is located a short distance away from the village of Sedbury. Sedbury itself, has a range of local facilities to include local shops, butcher, doctors' surgery and chemist.

For the outdoor enthusiast, there are many walks nearby, including the newly opened Wye Valley Greenway and the Offas Dyke footpath. The Forest of Dean and Wye Valley are a short distance away.
