ELMLEAZE, NUPEND, STONEHOUSE, GL10 3SS

The Property

This is a handsome detached Cotswold stone farmhouse set in the heart of the hamlet of Nupend. Fantastic internal accommodation currently offering four receptions, five bedrooms along with a wealth of character throughout to include, period fireplace, exposed stonework and beams along with quarry tiled floors.

The property does require some internal modernisation to the kitchen, bathrooms and decor. We feel any prospective buyer would also look to create an additional bathroom to the first floor.

On approach a five bar gate leads onto a chipping driveway with parking to the front and side for four plus cars with turning area. Open to formal lawns with open aspect.

To the front an entrance porch leads directly into a delightful sitting room with quarry tiled flooring, stairs to the first floor. Double doors open into the dining room and door to fitted kitchen. A charming inglenook fireplace takes centre stage with exposed stonework and log burner inset. Wonderful views to the front and such a stunning room. It is very easy to imagine this room at Christmas, the fire lit, the Christmas tree on and all the family sat opening presents.

Double doors open into the dining room of equal size, quarry tiled flooring, door to rear hallway and window to the front overlooking the garden.

A good sized fitted kitchen with views to the rear garden. A range of base and wall mounted cabinets with central island, built in double oven and hob and space for free standing appliances. Doors to sitting and breakfast room.

The kitchen opens to a utility area housing further base units and space for appliances with door to side entrance. Doors lead to the downstairs cloak and bathroom, with further door to outside. The kitchen works perfectly well, however we do feel any prospective buyer would look to update the kitchen.

A breakfast room directly off the kitchen opens to the rear garden, with lovely overhang on approach to outside. Complimented by a large conservatory, all double glazed with automated roof windows, French doors open to the sun terrace with views to the garden, perfect relaxing space.

To the first floor four very good sized bedrooms offering incredible space with one room having en-suite shower room. This room lends itself to a great home office/Studio with outside staircase providing external access to the ground floor.

To the second floor a wonderful loft bedroom provides a wealth of character and views opening to a further large room. Perfect teenage hideout or hobby room.

It is fair to say the property is presented in good order decoratively and perfectly livable, we do expect prospective purchasers to wish to update the kitchen and bathrooms along with making a larger family bathroom. This can all be done with ease due to so much internal space on offer.

This has been a cherished home by our vendors parents where they grew up and holds fond memories. It would be nice to see new life in the property.

OFFERED TO THE MARKET WITH NO ONWARD CHAIN.

Outside

To the front of the property a garden gate leads directly into the garden with a pathway up to the front entrance, lawned to each side with a wealth of planting and trees. Chipping driveway to the side allows parking for numerous vehicles which continues to the side of the house.

The rear garden is accessed by a wooden gate off the drive way or a metal gate on the other side of the house, Open lawns to each side of a lovely paved terrace. All conveniently located outside the breakfast room and conservatory. Perfect for those family gatherings on a sunny day for a BBQ,.
