LYNDALE COTTAGE, MARSH ROAD, LEONARD STANLEY, GL10 3NH

The Property

Tucked away in the heart of Leonard Stanley village, this enchanting chocolate box cottage is a beautifully restored period home that effortlessly blends timeless charm with modern comforts. Thoughtfully updated by the current owners, every detail has been meticulously considered, resulting in a home that exudes warmth, character, and sophistication.

As you arrive, a five-bar wooden gate opens to a private block-paved driveway, offering parking for up to three vehicles. A characterful entrance porch, ideal as a boot room, welcomes you into a spacious hallway, complete with elegant Karndean herringbone flooring that flows throughout the ground floor.

The sitting room is a wonderfully cosy and inviting space, filled with natural light from dual-aspect windows. A striking feature wall of exposed stone and brickwork, enhanced with decorative panelling and a fireplace housing a log burner, sets the scene for relaxing winter evenings. Bespoke plantation shutters and a charming window seat add to the room's appeal, while ample space is available for comfortable seating and freestanding furniture. The room opens seamlessly into the kitchen.

The kitchen is a tasteful blend of period style and modern functionality, featuring deep navy cabinetry with chrome cup handles, solid wood worktops, and a Belfast sink. A built-in larder cupboard adds character and storage, and integrated appliances include a gas hob, extractor, oven, washing machine, and fridge/freezer. The rear windows showcase original beam lintels, further highlighting the home's rustic charm.

From the hallway, stairs rise to a generous landing with a built-in boiler cupboard, leading to two bedrooms and the family shower room. A further staircase ascends to the top floor.

The front-facing bedroom is a spacious double enjoying far-reaching views over rooftops to Coaley Peek and the surrounding countryside. With a window seat, built-in wardrobes, and space for a desk, it's both tranquil and practical. Bedroom three, a bright double at the rear, features another window seat and is currently arranged as a home office with a fitted worktop, ideal for remote working or creative pursuits.

The shower room is stylishly appointed, with a large double cubicle, black-framed glass screen, brass-style fittings, pedestal basin, and low-level WC. White tiling, a feature tiled floor, heated towel rail, and a window to the front complete the space.

At the top of the house lies a truly special bedroom, set within the eaves and showcasing a beautiful exposed stone wall. Dual windows on either side of the chimney breast frame spectacular views extending as far as the Forest of Dean. This serene retreat offers generous room for furniture and includes a built-in corner dresser with inset drawers.
