A stunning 2 bedroom maisonette with private garden in this elegant Victorian conversion, commanding an eye-catching corner position on tree-lined Bassett Road and St Marks Road in this most desirable area of North Kensington, W10.

Behind the restored Victorian facade, the interior has been designed to a luxurious standard and high specification, to realise a stunning, contemporary space. Thoughtfully considered, the layout of the apartment embodies the spirit of modern day living, while retaining traditional elements such as bay windows, high ceilings, vintage style entrance tiles and a communal staircase with wrought iron balustrades. Expansive open-plan living spaces, high ceilings and herringbone parquet flooring form the heart of the apartment and the individually designed and contemporary styled kitchen includes integrated Siemens appliances, Silestone worktops and marble splashbacks. The master bedroom features a luxurious en-suite with walk-in shower, free-standing bathtub and finishing touches including recessed ceiling speakers and adjoining dressing area. The bathrooms benefit from Italian porcelain tiles and are complemented by bespoke cabinetry and feature lighting. The property does not benefit from Residents Parking.
