Westbourne Park Villas, London

A striking 3 bedroom, 3 bathroom duplex apartment set within this boutique development by award winning developer Fruition Properties, in Notting Hill W2. This raised ground floor and lower ground floor 3 bedroom property benefits from high ceilings throughout and triple aspects meaning it is incredibly light and spacious. Commanding an eye-catching corner position on Westbourne Park Road and Westbourne Park Villas, this one-time Buddhist Centre was built in 1836. The Victorian façade is now complemented by living spaces designed to an exceptionally high standard, embracing luxurious contemporary living.

Large reception rooms and parquet flooring provide a framework for modern interiors combined with traditional style stone fireplaces. The floating timber and glass staircase are one of many bespoke high-level design details found throughout this property. Bespoke Roundhouse kitchens fitted with high specification appliances, RAKO mood lighting and recessed flush ceiling speakers are some of the leading-edge features characteristic to the property. Refined details, such as frameless glass shower enclosures and herringbone tiled panels to bathrooms, further establish the building's aesthetic appeal.
