Chapman's Barn 76a Moor Lane

NEWLY CONVERTED BARN OF EXCEPTIONAL QUALITY IDEALLY PLACED CLOSE TO TADCASTER ROAD, OFFERING EASY ACCESS TO THE CITY AND THE A64.

Nearing Completion, this significant newly converted barn provides 1,900 square feet of versatile living space over 2 floors with landscaped gardens, oak car port and high level finishes throughout.

Accommodation comprises:-

Entrance hall with built-in storage, Kitchen family room, utility/laundry, Sitting room, snug/bed 4, principal bedroom with en suite bathroom, 2 further bedrooms, 2 further bathrooms

Private driveway with electric gates, landscaped gardens with Indian stone patio, Oak open fronted car port with turning area, bicycle store.

DESCRIPTION

Unassuming on first approach, Chapman's Barn provides 1,900 square feet of beautifully designed and highly appointed living space over 2 floors. The barn has been completely re-built, re-using the original bricks to provide a property retaining enormous character whilst providing all modern comforts and exceptional style.

The largely free flowing footprint centres around a superb hand-painted kitchen with dramatic vaulted ceiling and significant oak trusses. The versatile accommodation can provide up to 4 bedrooms served by 3 stylish bathrooms and provides the option of both ground floor and first floor bedrooms. Large without being rambling, Chapman's Barn is an ideal downsizer property, with elegantly proportioned rooms featuring tall/vaulted ceilings offering the kind of space usually only found in much bigger houses. The layout works equally well for those seeking to work from home or requiring a potential annexe.

A bespoke build by Future Projects and designed by Mass Architecture, the property showcases artisan timber joinery throughout with hand-built storage to the hall and individually designed wardrobes which are both practical and attractive.

The barn benefits from underfloor heating to the ground floor with light oak style flooring, solid oak doors and a stylish turned staircase. Bathrooms feature contemporary white sanitaryware and tiling by Porcelanosa.

An ideal 'lock up and leave' home, the property is accessed via a long compact gravel driveway with solid electric gate. The landscaped rear garden is attractive and low maintenance and joins the internal accommodation seamlessly with doors from both the sitting room and main bedroom giving access to an Indian stone patio.

Due for completion in January 2024 Chapman's Barn will benefit from a 6 year Professional Consultants certificate.
