Dramatic contemporary 6 bedroom home approaching 3,600 square feet, with landscaped gardens, double garage and plentiful parking close to the city and railway station.

Accommodation comprises:-

Entrance hall, kitchen family room, sitting room, office/snug, 6 bedrooms -2 with en suite facilities, large utility, family bathroom

Oversized double garage/workshop, plentiful parking, landscaped gardens, significant detached 'Garden pod/studio'

## DESCRIPTION

This stunning contemporary home has already become a local landmark and provides significant lateral living over 3 floors with delightful landscaped grounds and extensive garaging/secure parking. The property enjoys a commanding position on Tadcaster Road with a large corner plot, approached through electric gates.

Deigned and built by award winning developers as their own home, with meticulous attention to detail and no expense spared, the property provides in excess of 3,500 square feet of stylish living space. Innovative and creative in design, the property provides all that is required for comfortable modern living with a sociable open-plan ground floor, complimented by 2 further reception rooms giving a sense of intimacy and offering potential as an annexe or ground floor bedroom if required. Natural light and inside/outside living are at the centre of the design. The entire eastern elevation which houses the main living space features a full wall of bi-fold doors giving the option to fully expose the eastern quadrant of the property to the gardens.

There are four generously proportioned bedrooms to the first floor each with built in storage solutions, the guest room featuring a large contemporary en suite. A stunning family bathroom provides luxury and style whilst remaining practical and easy to maintain. The indulgent principal bedroom occupies the 2nd floor in its entirety and features an impressive dressing room and walk-in shower room.

The landscaped gardens surround the property and enjoy the same attention to detail/design concepts as the house, ensuring a seamless flow between inside and outside. Featuring an innovative wall mounted fire pit and an architectural 'moon door', each area has been designed to give a unique entertaining space or dramatic focal point. They provide a beautiful backdrop and are a truly remarkable oasis so close to the city.

Tadcaster Road is ideally placed for access to the city, the railway station and to the major road networks for travel further afield.
