The current owners have comprehensively upgraded the original property, with meticulous attention to detail and with no expense spared, enhancing the accommodation and injecting an enormous amount of style.

The bespoke kitchen is by Charles Yorke and features a large island with built in dining area and showcases beautiful leathers granite worksurfaces and top of the range Miele, Gaggenau and Liebherr appliances. A triumph of interior design, Zero House provides a sumptuous feel and oozes quality in every room. Full height bespoke dark wood doors are complimented by matching dark wood herringbone flooring throughout the ground floor, creating an ambient and luxurious feel. Opulent soft furnishings and statement light fittings have also been used to great effect.

Practical as well as attractive, the house enjoys high quality triple glazing, underfloor heating to the ground and lower ground floors and has been meticulously refurbished throughout.

The property enjoys a commanding position at the head of Greencliffe Drive with views toward Clifton Green. It is approached through electric gates which give access to a private parking area and double garage.
