The current owner says:

**Situated in a popular part of Acton the scheme lends itself to end users and developers**

A 1519 sq ft house that has undergone a soft strip and has consent for a double storey side extension, single storey rear extension and hip to gable loft conversion to provide an envelope of c3000 sq ft. Future scope to create 4/5 flats or possibly another new build house to the side (SSTP).

The freehold house has a reduced garden due to there being planning permission for a 1280 sq ft house at the rear of the property which is being sold separately on another title.

Ashfield Road is moments away from the wide array of shops and restaurants Acton has to offer. Local transport links including East Acton (Central Line), Acton Central (Overground) and Acton Mainline (Elizabeth Line) as well as excellent bus services to nearby Shepherds Bush, Chiswick and Hammersmith. The M4 and M40 motorway routes are also easily accessible.

Under section 21 of the Estate Agency Act 1979, the seller declares a personal interest with this firm

**What's better:**

**Scope for further enhancement of the existing planning now the envelope has been approved**
