SELLER'S SECRET

We have loved living here and will miss the property dearly. For us it was great to have such a well designed home for our needs and to not be overlooked at the rear was a huge benefit compared to most other modern homes.

Why we like it....

This home is offered for sale in superb order and we love the design. The current vendors have looked after the property really well and with the garden being landscaped so attractively and not being overlooked this will certainly appeal to many buyers.

To buy or not to buy....
