SELLER'S SECRET

We have lived here for several years and love the quiet, yet convenient location. The close is great, with good neighbours and a peaceful cul de sac and we simply love our garden. We will be sad to move and hope that our buyers enjoy living here as much as we have.

Why we like it....

We think this property is a great investment! Homes like this with a garden in Market Harborough rarely come available in this price range. What's more, the ground rent and service charge are incredibly low making this a very affordable home to own.
