## DESCRIPTION

73 75 Castle Street was previously occupied by Poundstretcher and is now available on the open market following refurbishment works. Externally the frontage has been stripped back to reveal attractive original features and has been painted. Internally the property has four floors of accommodation which includes a basement. The ground floor, first floor and second floor have all been stripped back ready for an incoming tenant's immediate fit out.

The previous tenant used the ground floor as a retail sales area, with the first and second floor being utilised for storage.
