House
Freehold

A terraced house in the popular development of Captain's Walk. The property boasts fantastic sea views over Saundersfoot harbour, with 3 double bedrooms (master ensuite), large lounge/diner, separate kitchen, family bathroom and utility.

The house is situated on the cliff near to the St Brides Hotel, and has its own patio garden to the rear of the property, providing unobstructed views over the village and the coastline beyond.

There is a single garage, and the option to use parking bays just outside the front door. The house is currently a successful holiday let, but would be a lovely seaside home or bolt hole.
