Catch up on your favourite TV show or series, watch a movie on Netflix and do the weekly food shop online with a good quality internet connection at Watersmeet.

Newnham benefits from fibre enabled broadband with average speeds of 67Mbps. The village also falls under Fastershire, which is a partnership between Gloucestershire County Council and Herefordshire Council that is bringing even faster broadband to the two counties. Newnham is part of the Stage 3 Rollout which will see network provider Gigaclear build a brand new fibre to the premises (FTTP) in the village. The properties will then receive access to an ultrafast fibre connection with speeds up to 1,000Mbps.

Beautiful village

Perfectly positioned on the edge of the Royal Forest of Dean and sat high above the breath-taking River Severn.

Watersmeet is a short stroll from the vibrant and friendly village centre of Newnham on Severn, with its eclectic selection of independent stores and all the community amenities you need.

NEWNHAM ON SEVERN HIGH STREET

NEWNHAM ON SEVERN HIGH STREET

Newnham on Severn

The Gloucestershire village of Newnham on Severn is a vibrant community, nestled on the banks of the River Severn and bordering the majestic Forest of Dean. It is conveniently located on the A48, providing swift and easy access to Gloucester and Cheltenham, Bristol and South Wales. A bus stop opposite St. Peters Church connects Newnham to surrounding villages and towns with regular, well-established bus routes. Many of Newnham's traditional streets enjoy far-reaching views across the river, and the village is the first place the famous Severn Bore can be seen as it travels onwards towards Gloucester.

Rich in maritime history and set in a tranquil, rural location, Newnham provides a relaxed pace of life. The village itself enjoys numerous amenities, including a post office, doctors' surgery, an independent convenience shop, a butchers, several pubs, an active church and even a veterinary practice. There are plenty of societies and clubs to join, including a film club, an amateur dramatics group, skittles and bridge clubs, as well as a gardening society.

A short drive into the Forest of Dean provides opportunities to enjoy walking, the arts – try the Sculpture Trail at Beechenhurst – and a host of independent eateries, from pubs to restaurants, like the Tudor Farmhouse Hotel. Whatever your lifestyle, Newnham is the ideal location to enjoy some of the best Gloucestershire has to offer.

The surrounding area has much to offer for all ages

Watersmeet has been designed to make the most of its picturesque location positioned between the River Severn and Royal Forest of Dean, enjoying stunning views of the beautiful surrounding countryside. Sitting on the edge of the wider Severnbank development and to the south of the local cricket ground, the development has been carefully planned to create a community of like-minded individuals that is private and secure.

Relax in your own private garden or meet neighbouring friends for a catch up and coffee on the shared pavilion. The location is also ideal for embracing the outdoors with miles of woodland and nature trails to explore. The cricket pitch is a stone's throw from Watersmeet, perfect for game-side picnics on a sunny afternoon; and there are two tennis courts within easy reach of your home for a friendly game.

Getting out and about is convenient by road or public transport with a bus stop a short walk away and Lydney train station a short drive.
