To the right of the hallway, a door opens into the lounge; a cosy retreat enhanced by a charming wood burner – perfect for those colder evenings. The dining area enjoys delightful views of the rear garden through large sliding doors, offering seamless indoor-outdoor living – ideal for entertaining or simply enjoying a peaceful morning coffee.

Outside, the private rear garden is a true highlight, thoughtfully designed with a combination of patio and stone areas, raised shrub borders for year-round colour, a tool shed and a summer house. The integral garage, accessible from the garden, is equipped with power and lighting, along with a partial utility space. A side gate offers convenient access to the front of the home.
