Latcham Dowling Estate Agents are delighted to bring to the market this spacious and extended three bedroom bungalow, having been almost completely re-furbished from top to toe by the current owner and now offering a versatile and contemporary interior including a dining room and large living room with open fireplace, a brand new kitchen with an induction range cooker, built in microwave, dishwasher and a separate utility room with appliances included, a brand new bathroom with separate shower and three bedrooms (with bedroom one offering a range of fitted wardrobes). The bungalow has been completely re-wired throughout, along with a brand new 'Worcester' boiler and heating system and engineered oak flooring throughout the property, apart from the bathroom which is tiled. In addition to all of this, there is also an extremely large loft area (with power, lighting and a window already) which could lend itself brilliantly for conversion to additional accommodation (subject to relevant consents), an adjacent single garage, a private and secluded 'L' shaped rear garden and fantastic frontage providing a block paved driveway for four cars and an additional shingle area which would be perfect if you needed to house a caravan or boat within the plot!!

Viewing is absolutely essential to appreciate the size and layout of the accommodation and the quality of the finish provided.
