UNEXPECTEDLY RE-AVAILABLE 28/02/2025

We are delighted to offer for sale this stunning recently built individual detached four double bedroom home situated on a quiet private road of just five properties. Now, at 2037sq ft of accommodation, it's a large property that exudes quality. The heating is supplied courtesy of a "Mitsubishi" Air source heat pump that gives underfloor heating throughout the downstairs and radiators upstairs and comes with a transferable service plan.

As you enter this wonderful home, you are greeted by a large entrance hall that leads to all the ground floor accommodation with double doors to the kitchen/dining room. Now, as if there aren't enough bathrooms with the two very well appointed ones to the first floor, you have a downstairs shower room which could be ideal if you have elderly family members staying and possibly using the study as a bedroom. The 20' kitchen/Dining room wants for nothing with an array of fitted appliances including a five ring induction hob, double oven, fridge/freezer and dishwasher. There is a utility room that can be accessed from outside making for a great place to wash the dog after a Sunday stroll. There is a dual aspect lounge to the rear with double doors to the rear garden.

Upstairs there is a large landing and when asking the current owner why it wasn't a five bed it became clear that they wanted decent sized usable rooms. All bedrooms are great sized doubles and all boast Ethernet points. Bedroom one is 20' x 16' has a wonderfully appointed en suite. The family bathroom is a four piece with double width shower as well as the main feature being the freestanding roll top bath.

The property sits in the heart of Langford with a direct train service to London St. Pancras 2 miles away in Biggleswade. The A1 is less than 2 miles to the east. Langford has many facilities including an excellent Lower School, satellite Doctor's Surgery and Post Office as well as eateries and playing field.
