We are delighted to offer this truly stunning and unique four double bedroom barn conversion in a courtyard of five similar properties. Now this particular property has the largest garden on the development at 0.59 acres and with panoramic views to open countryside, it offers peaceful, relaxing rural living.

Originally converted in 2015, the property has been completed to a high standard. Carefully blended with modern amenities whilst retaining character throughout such as vaulted ceilings, exposed timber and brickwork. At 3604sq. ft. (excluding the garage) of accommodation this is a very spacious home. Downstairs there are four separate reception rooms including a 26' x 22' lounge with a log burner being the central feature. A wonderful dining room, breakfast room and a study. The kitchen is well appointed throughout with a host of fitted appliances and has the benefit of a utility room just off. A cloakroom completes the downstairs accommodation.

Upstairs you are greeted with a large galleried landing with exposed timbers and vaulted ceiling. As already mentioned all the bedrooms are large and to put into perspective, bedroom four is 18'. There are En Suites to both bedrooms one and two as well as a beautiful four piece family bathroom with roll top bath and separate shower.

The rear garden has a patio area that makes for a great entertaining space. The bulk of the 0.59 acres is laid to well manicured lawn.

The front is enclosed by a low wall with borders, and bicycle and bin stores. The gated cobbled driveway provides parking for three cars in addition to a double garage with two remotely operated doors, power connected and further parking in private enclosed courtyard.

Located on the Herts ,Beds, Cambs border and within easy reach of some award winning schools, three mainline stations to London within 6 miles ,and Cambridge just 25 minutes away by car, you couldn't want for a better location.
