The first floor has a galleried bright and airy landing with double glazed windows to both front and rear aspect. The bedrooms are all great size doubles and are all fairly equal in size. The bathroom as already mentioned is brand new and at 12' it is a great size.

Outside the rear garden is a blank canvas having just been cleared and sprayed it is ready for the new buyers to landscape as they wish and being 70ft in length and West facing, its a real suntrap. Parking to the side of the property could have as much or as little as you would need and lends itself to putting double gates on. There is also a summerhouse as well as two brick built outbuildings.

The front garden is also down to the new owners to decide whether to lay lawn or use for additional parking.

This is a great size property that really is a case of move straight in.
