Latcham Dowling are delighted to present this exceptional Grade II listed home – a truly unique property brimming with character, charm, and space. Measuring over 2,200 sq. ft., it combines period features with versatile accommodation, making it an ideal family home.

ACCOMMODATION:

From the moment you step inside, the property's history and warmth are immediately apparent. Exposed timbers, original wooden doors, and traditional tiled flooring create an inviting first impression. At the front of the house, two welcoming reception rooms offer flexibility, while to the rear you'll find a magnificent 25ft formal sitting room – perfect for family gatherings or entertaining.

The internal hallway leads to a well-equipped kitchen complete with integrated appliances, a breakfast bar and a generous walk-in pantry. Just beyond, a charming conservatory enjoys views over the walled garden, filling the space with natural light. A practical utility/boot room and a separate cloakroom complete the ground floor.

Upstairs, a spacious split-level landing opens to all four bedrooms and the family bathroom. The master suite is particularly impressive at 24ft, boasting a split-level layout, plenty of space, large built in wardrobes and a private en suite. Two further double bedrooms, plus a versatile fourth bedroom currently used as a study, provide excellent accommodation. The family bathroom is beautifully styled with a four-piece suite, including a Victorian roll-top bath.

Outside, the property truly shines. The front elevation offers wonderful kerb appeal, while the rear garden provides a generous lawn, two separate patio areas, and ample space for relaxation or entertaining. A substantial brick-built workshop and storage sheds add further practicality. The gated driveway is another standout feature, with parking for up to 7-8 vehicles.
