Artisan traditions sit at the heart of Bellway, who for more than 70 years have been constructing homes and building communities. This proud history provides us with a solid foundation from which to develop and grow; culminating in the launch of our Artisan Collection.

Timeless qualities, such as craftsmanship, attention to detail and excellence, are combined with contemporary construction techniques to create a new generation of properties suited to today's homebuyer. External design features reflect the local environments in which we build and a refreshed and improved internal

specification carefully marries design with practicality, meeting the aspirations of our valued customers and creating homes people want to live in.

The feedback from our customers across Great Britain has helped to develop the house styles within this new range, which embody our high standards of quality and sustainability, together with an unwavering belief in workmanship. Help to Buy is backed by the Government and aimed at helping you purchase your first home.

The scheme is open to first time buyers and there are regional price caps on the value of the property you are able to purchase with Help to Buy, please talk to one of our Sales Advisors for the regional details in your area.

To use the scheme, you will need at least a 5% deposit. You may then be eligible to receive an interest free equity loan from the Government of 20% of the value of your new home, which means that you only need to secure a 75% mortgage.

Customer Care

From the first day you visit one of our sales centres to the day you move in, we aim to provide a level of service and after-sales care that is second to none.

Each home is quality checked by our site managers and sales advisors, after which we invite our customers to a pre-occupation visit. These personalised visits provide a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing high levels of customer care and building quality homes is our main priority. However, we are aware that errors do sometimes occur and where this happens

it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity.

In managing this process we have after sales support that is specifically tasked to respond to all customer enquiries.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home. A 10 year NHBC warranty provides further peace of mind.

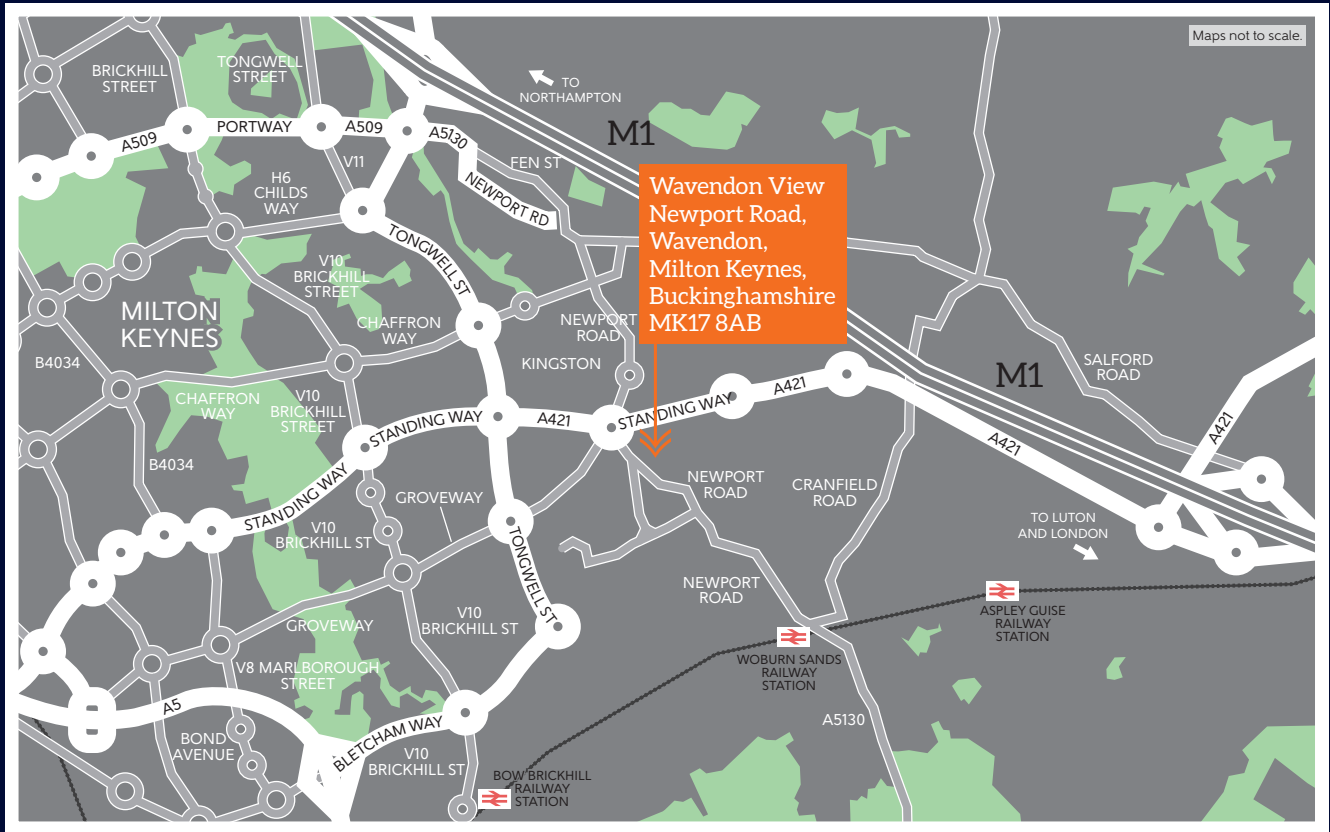

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
