About The Property

A beautifully presented detached bungalow, with far-reaching countryside views to the front and ample off-road parking, situated within the rural village of Beulah, near Newcastle Emlyn and the west Wales coast of Cardigan Bay. The popular market town of Newcastle Emlyn is only 4.4 miles away and has many pretty, artisan shops, cafes & restaurants, supermarkets, and primary and secondary schools. The larger market town of Cardigan is only 7.9 miles away and the stunning beaches and coastal path are a mere 10-minute drive away.

The property is accessed via a canopied entrance into the spacious hallway, with ample storage (one housing the electricity meter for the solar panels) and an airing cupboard, access to the attic (which we have been advised is partly boarded and houses the inverter for the solar panels) and doors leading to the lounge, kitchen/diner, three bedrooms, and the family bathroom. The lounge benefits from a fireplace (with fittings in place to instal a gas fire if desired - or a wood-burning stove) and stunning country views to the front and side. The open plan kitchen/dining room, with matching fitted wall and base units, electric oven with extractor over, integrated dishwasher and fridge, sink with drainer, and on the dining side with stunning country views to the front. A door leads into the utility room, with fitted units, a sink, an oil boiler which serves the hot water and central heating, a door into the w/c, a door into the integral garage (with up and over door, and power and lighting) and a door out to the side of the property to give access to the rear garden.

Back in the hallway doors lead into the three double bedrooms, with the master benefiting from an ensuite toilet with a wash hand basin. The family bathroom, with a bath, shower, wash hand basin and w/c.

The property is accessed from the main B4333 onto its own tarmac driveway, this has ample parking for several vehicles and leads to the integral garage.

Offers in the region of £375,000

The front garden is a mix of lawns and plants and flowers and looks out over the beautiful countryside views into the Brongest valley. A gated access and path go down the right-hand side to give access to the rear garden. This is an enclosed space with a garden shed, ample space to sit and enjoy the afternoon and evening sun, and steps leading up to a beautiful garden which has a lawn area with mature shrubs and flower borders offering a lovely place to relax and enjoy. The owner has informed us that the solar panels were installed in October 2014, and are owned by the property, they have extended the warranty in 2024 for another 10 years.

This is a gorgeous property that would make a lovely family or retirement property and offers the very best of country living with spectacular countryside views. Please book your viewing early to avoid disappointment.
