## About The Property

A delightful cottage set in an elevated position in St Dogmaels, with beautiful views down over the village and the estuary beyond, with an enclosed low maintenance front garden, all within walking distance of the local amenities this pretty and popular village has to offer.

St Dogmaels is a much sought-after village, with a great community and local amenities, such as a village shop, primary school, village pub, cafes, restaurants, art galleries, the St Dogmaels Abbey, mill and so much more, with additional larger amenities in the popular market town of Cardigan, which is only 1.5 miles away. St Dogmaels is also a short drive to the wonderful sandy beach, Poppit Sands and the Pembrokeshire coastline and coastal path around Cardigan Bay.

The entrance to the property is up a footpath to the front door. This opens into a small porch with a useful storage cupboard, ideal for boots and coats, and another door opens into the lounge. The lounge is a cosy room with a pretty built-in multi-fuel burning stove on slate hearth and surround, this is used to heat the central heating and hot water during the winter months (the immersion heater heats the hot water when this is not in use), a useful storage cupboard, stairs to the first floor and a door into the kitchen. The kitchen has bespoke brick-built open-fronted base units, with a worktop over, a butler sink, space for appliances, and space for an electric cooker. There is also a space for a dining table and a door into a pantry.

On the first floor is a landing with a generous storage cupboard, access to the loft and doors to the bedrooms and family bathroom. The master bedroom is a good-sized double, with lovely views to the front and a door to the airing cupboard that houses the hot water tank with an immersion heater. The second bedroom is a spacious single with views out to the front and down to the estuary.

Details Continued:

The family bathroom has a bath with an electric shower over, a WC and a wash hand basin. The attic is accessed off the landing and is of a good size. The owners have informed us that, subject to obtaining the necessary planning regulations, this space has the potential to be renovated into a third bedroom if needed.

dining and entertaining, and flower beds with slate paths between. To the rear is a small area for access to maintain the rear wall, and there is an outside water tap to the side.
