About The Property

A stunning, landmark building, in part of Cardigan's Historic Quarter full of original character, situated in a vibrant part of the increasingly popular market town of Cardigan. It is mixed-use with a shop-fronted commercial unit on the ground floor and a 1 bedroom residential flat on the first floor, with gorgeous views over the rear gardens of Cardigan Castle. The entire property is Grade II Listed and is just off the high street and lends itself well to either being kept as it is or, subject to planning and listed building permission, being converted into a lovely townhouse. The flat is accessed independently of the retail space so this can be leased out separately to the retail area, and the flat has been let out on long let in the past and has also been a holiday let, making this a very versatile property in a stunning location.

The commercial aspect has a current rateable value of £4,100 (although the current owner qualifies for small business rates relief, new owners will need to apply). And the top floor residential, 1 bedroom flat previously being let at £750 per calendar month - this rent included all services as these are currently all connected to the shop.

The town has all local amenities on offer, such as an integrated care centre, a primary and secondary school, shops, supermarkets, cafes, restaurants, pubs, a theatre and so much more. And all within easy driving distance of the west Wales coast of Cardigan Bay and its many pretty, sandy beaches.

Access is off the pavement from the street in front of the building up two slate steps into the vestibule. Doors from here go into the retail space, and another door gives access, via stairs, to the flat above. The retail area has two main retail rooms with a counter for the till area to the front, the middle section has a walk-through space with doors off to a WC/Boiler Room and a small kitchenette.

Details Continued:

The back shop room has exposed stone walls and the blocked-up remains of a fireplace. All of this offers ample retail floor space for trading.

On the first floor is the one bedroom flat, this space is full of charm and character and offers either an additional revenue stream by way of holiday or long-term let, or a useful managers accommodation.

The flat has a spacious open-plan lounge/diner with a stunning picture window, high ornate ceilings, a large open fireplace, a useful space for a desk/storage and a charming step-up and through a window which opens out onto a small balcony/terrace which overlooks part of the garden of No 45 next door and Cardigan Castle. A door leads into the galley kitchen with a step down to the main part, with space and plumbing for a washing machine, electric oven and hob with extractor over, a sink with drainer, wall and base units and some useful shelving.

A door leads off the kitchen into the bedroom with an en-suite shower room. The shower room is fitted with a shower, W/C and wash hand basin and the bedroom is a spacious double with lovely views over lower Cardigan town.
