About The Property

A welcoming, deceptively spacious, 4/5 bed property, with 3/4 reception rooms, full of original features such as encaustic tiled flooring, wooden doors and more, with lots of potential, situated in a rural yet accessible location, only a 10 min drive to the popular market town of Cardigan. The market town of Cardigan sits on the estuary of the river Teifi with its rich heritage and many shops, pubs, cafes, restaurants, leisure centres, schools and cultural events. It is also only a short drive away from the sandy dunes of Poppit Sands Beach, the coastal path, and the many beaches and walks in and around Cardigan Bay.

The front door opens into the entrance hall, with an original, encaustic tiled flooring, useful under stairs cupboard, stairs to the first floor and doors leading into 4 reception rooms.

The front lounge has a window to the front & alcoves with shelving to one side of the old chimney breast.

The front sitting room/bedroom 5 is a spacious room with two windows to the front offering plenty of natural light.

The rear sitting room is a cozy space with a fireplace & slate surround.

The dining room is to the rear and has an original tiled flooring, a fireplace and a door leading into the kitchen. This room could lend itself to being converted into the kitchen (subject to building regs etc) with an open plan diner into what is currently the front lounge.

The kitchen benefits from matching wall and base units, with a built in eclectic oven, electric hob, an integrated washing machine, a sink with drainer, the oil-fired combi boiler which services the hot water and central heating, and door out to the rear of the property. This room would lend itself to be a very useful utility room or even a lovely sunroom to create a wonderful outside/inside space to increase the size of the garden, should the dining room be converted into a kitchen.

Details Continued:

On the first floor is a spacious landing with a picture window to the rear, attic hatch and doors to two double front bedrooms with attractive, countryside views, a double bedroom to the rear, a single bedroom in the middle of the house, currently used as a home office, and a family bathroom, which is a spacious room in need of updating and houses a useful airing cupboard with shelving.

Externally:

On the outside, the property is approached off the main A478 to the front, with parking spaces for one car directly in front of the house. A couple of slate steps lead up to the front door with a small, paved area to the front. To the rear is an enclosed courtyard garden with slate paths in places & a raised bank to the rear where the oil tank is sited. This area has the potential to be dug out and cleared back to create more space if needed and is a lovely enclosed space for enjoying some

alfresco dining and relaxing.
