## Directions

Head along the A487 southwards from Cardigan towards Fishguard/Newport. Just before Newport you will see a sign for Llwyngwair Manor on the right-hand side. Take the main entrance into the Manor and follow the main drive, passing the static caravans, over a little humped back bridge and follow this towards the manor house. Keep left at the big Oak tree, before the drive to the main house and follow the road down below the house, passing the crazy golf course. Immediately after the house turn right up the hill, over where an old cattle grid once was and turn left into the chalet cul-de-sac. Go past the chalets on both
