About The Property

Looking for a cosy home with character? This three-bedroom cottage in Cilgerran is just a short walk from the historic Castle and features off-road parking, a multi-fuel burner, and enclosed gardens, offering a comfortable space with a touch of countryside charm.

This charming three-bedroom cottage is located in the village of Cilgerran, just a short distance from the historic Castle. Dating back to the 1800s, the property has a lot of character and benefits from off-road parking for two small vehicles, as well as enclosed gardens at both the front and rear.

Upon entering, the hallway leads directly into the kitchen, with the stairs to the first floor in front of you and a door off to the living room, which has a multi-fuel burner, providing warmth and heat for the central heating and hot water systems. This room is a cosy space, perfect for relaxing after a long day. In the kitchen, (in need of modernising) you'll find fitted wall and base units along with a handy pantry, offering plenty of storage for kitchen essentials, space for a freestanding electric oven, space and plumbing for a washing machine, a sink with drainer and space for a freestanding fridge/freezer. An opening from the kitchen leads to the rear hallway with a door leading directly to the rear garden and a storage cupboard, perfect for keeping things out of sight. A further door leads to the ground floor bathroom which has recently been updated and includes a P-shaped bath with an electric shower over, a vanity wash hand unit and a toilet.

Upstairs, there are three bedrooms, each with its own character. One of the bedrooms is at the rear (double) of the property, offering lovely views over the garden and the surrounding countryside. The other two bedrooms are located at the front (one double and one single), with plenty of natural light coming through the windows. The double to the front also benefits from an airing cupboard with a hot water tank and immersion heater.

Externally:

Externally, the property offers off-road parking for one vehicle to the front. The front garden is enclosed with a lawn and mature hedging and shrubs providing a bit of privacy. The rear garden is also enclosed and has a more open feel, mainly laid to lawn with paving slabs and a path leading down to the end of the garden where there is currently a chicken run. There's a very useful, timber-built shed with power and lighting, handy for DIY enthusiasts or useful storage. Outside the

back door, there is a small patio area and another garden shed.

Whether looking for a first home or somewhere to downsize, this cottage offers a comfortable living space in a great location, with the charm of an older property and the practicality of modern living.
