About The Property

Looking for a bungalow within walking distance of Cardigan town centre? This two-bedroom semi-detached home offers a spacious lounge, kitchen with utility, and a garden with fruit trees, all close to local shops and services.

This semi-detached two-bedroom bungalow is set in a convenient location within Cardigan town, close to shops, services, and everyday amenities. The property offers well-proportioned rooms, a good-sized rear garden with lawn and fruit trees, and potential to adapt further, as other homes along the road have created parking at the front (subject to permissions).

From the front garden, a concrete path and ramp lead to the front door. The hallway runs centrally, with both double bedrooms to the left. Ahead is the wet room, fitted with WC, electric shower and sink. To the right, the lounge provides a comfortable living space with a window overlooking the front lawn and a gas fireplace with tiled hearth and wooden surround. A door leads through to the kitchen.

The kitchen is fitted with a range of wall and base units, a sink with drainer overlooking the rear garden, storage cupboards, a gas boiler, and a freestanding oven (currently disconnected). From here, a door opens to the rear porch and utility space, which includes a sink, drainer, and worktop. The porch also provides access to the back garden.

The rear garden has a step down to a paved patio area, with a small feature wall leading on to the main lawn. Fruit trees, shrubs and borders give interest and planting space, while a concrete pathway runs through the centre. To the side, there is a wooden garden shed.

At the front, the garden is lawned to either side of the central path, with access around the side of the bungalow to the rear via a concrete pathway. Neighbouring properties have secured permission to drop the kerb and create parking areas at the front, suggesting further potential for this property.
