Chamberlain Phillips is delighted to present this substantial five-bedroom family home, offering spacious accommodation and capturing the essence of countryside living. Generously proportioned and designed for modern family life, it forms part of an exclusive gated development in the idyllic village of Tattingstone, a short stroll from Alton Water Reservoir.

This stunning Grade II listed stable conversion, embedded in the rich tapestry of Suffolk's heritage, is graced by the historical grandeur of the 18th-century landmark, "Samford House of Industry." The property is enveloped by approximately seven acres of shared grounds, featuring meticulously sculpted Italian style gardens, sprawling lawns, tranquil woodland and communal BBQ areas, all within a leisurely walk of the reservoir's waterside pleasures.

As you are ushered through the private gates, you'll find ample parking to accommodate a fleet of vehicles. The residence welcomes you with a grand hallway that leads to a warm sitting room, and through double doors, a dining room drenched in natural light. The conservatory offers an idyllic retreat, while the spacious kitchen/breakfast room, complete with an island and butler sink, is the heart of this home. The ground floor is further complimented by a principal bedroom with an ensuite shower room, two additional bedrooms, a family bathroom with a classic freestanding roll-top bath, as well as a cloakroom, and a versatile gym space.

Ascend to the first floor, and you'll discover a large landing with a cosy family area, a games room that opens to a cinema room, and two further bedrooms accompanied by a shower room. The expansive wrap-around garden, mainly laid to lawn with a welcoming patio area and two sheds, completes this idyllic setting.

With a plot approaching half an acre, this home promises to be a cherished sanctuary for your family, offering space, luxury, and the tranquility of rural Suffolk living at its finest.
