Summers Park

Situated within the highly regarded "Summers Park" development, this detached "Cadenza" design home offers a well-balanced layout ideal for modern family living.

The dual-aspect sitting room is spacious and bright, with patio doors opening onto a paved area in the rear garden, perfect for outdoor dining or relaxing in warmer months. A separate family room provides flexible space for a playroom, home office, or additional lounge.

The kitchen/dining room is a standout feature of the home, offering a central island, generous worktop space, and bi-fold doors that open directly to the garden, blending indoor and outdoor living. An adjacent utility room keeps laundry and storage separate from the main living areas, and a downstairs cloakroom adds further practicality.

The property features four well-proportioned bedrooms. The principal bedroom includes a private en-suite and triple fitted wardrobes, providing ample storage space. A well-appointed family bathroom serves the remaining bedrooms, making daily routines more manageable.

Externally, the home benefits from a fully enclosed rear garden, a detached single garage, and private driveway parking. An insulated outbuilding sits within the garden, currently used as a home office but equally suited as a gym, hobby room, or garden bar.
