

Lady Nelson Gardens, Thorpe-Le-Soken, CO16 0FG

Nestled along a tranquil, privately owned lane, this exquisite double-fronted four-bedroom home occupies an overall plot approaching 0.25 acres (STS) and has been meticulously crafted by renowned local builders Burfoot Homes. Completed just two years ago, the property seamlessly blends classic Victorian charm with contemporary family living, featuring high ceilings, tall skirting boards and elegant bay windows—hallmarks of Victorian design—beautifully complemented by a modern layout and high-quality finishes that deliver both character and the comfort today's families expect.

A striking entrance hall, flooded with natural light, introduces a grand double staircase and sets the tone for the rest of this beautifully designed home. To the right, a sophisticated reception room with a bay window offers a versatile space, currently used as a study but equally suited to a formal dining room. To the left, the generous living room, also framed by a bay window, provides a welcoming retreat for relaxation and entertaining.

At the rear, the heart of the home lies in the expansive open-plan kitchen, dining, and family room. Bi-folding doors and double doors create seamless indoor-outdoor flow into the professionally landscaped garden, where natural light and tranquility abound. A practical utility room and a downstairs cloakroom complete the ground floor.

Upstairs, the elegant staircase splits to serve four sumptuous double bedrooms. The main bedroom offers a sanctuary-like retreat with a dressing area and en-suite shower room, while the second bedroom also benefits from its own en-suite. A stylish family bathroom serves the remaining rooms.

The landscaped garden features a tranquil pond and a line of semi-mature trees, offering increasing privacy over time. A double garage with power and a generous driveway provide excellent parking and storage.
