Ballahowin Courtyard comprises beautifully converted farm buildings to create a courtyard of 12 luxury Manx stone dwellings set in the heart of the Island's countryside, conveniently located with the airport, hospital and Douglas town centre all less than six miles away. These former 4* and 5* holiday cottages are each named after one of the Islands 12 parishes, with the Manx theme continuing in the centre of the courtyard with a cleverly laid scale map of the Isle of Man set in contrasting flagstones.

Onchan is a luxurious 2 bed ground floor cottage that was previously awarded 5* gold status by the Isle of Man Tourist Board, being the highest accolade possible when it was tourist accommodation. The property is available to rent immediately and is offered to let on a fully furnished and fully equipped basis, with the use of dedicated high speed fibre broadband included in the rental price.

Onchan is entered through its own private composite door, the leads into a generous and open plan living space includes a social and dining seating area as well as a fully equipped Kitchen. Appliances include an electric oven with hob above, integrated fridge, dish washer and washing machine with drying facilities. Separate under stairs storage houses a freezer.

Beyond the living accommodation is a generous Double Bedroom with built in storage and a door leading to a private external patio with seating. A second smaller Bedroom also benefits from built in storage, with both Bedrooms sharing a modern Family Bathroom with bath with shower over, vanity sink and inset WC.

Beyond the boundary of Onchan is an allocated oil tank for which will be filled for the successful tenant, with the requirement for the tenant to hand the property back with the oil tank refilled. A short distance from the courtyard is a car park offering two dedicated spaces to each of the cottages. Within the courtyard is a purpose built covered bike shed for the use of the residents.
