Summary

The Brambles is a striking architecturally designed new build four En Suite Bedroom property meeting the needs of modern day living with a spacious Family Kitchen at the heart of the house offering bi-fold doors leading out to the rear garden.

Tucked away in a private suburban setting on the south side of Ramsey, the Brambles is within easy reach of the town centre, local schools, beach and other amenities, yet also has the advantage of local walks on its doorstep and is also conveniently located close to the Mountain Road ensuring Douglas town centre is only a short 25 minute drive away.

Constructed to the highest standards, with energy efficiency at the forefront of the build, the Brambles is a highly insulated property, complete with oil fired underfloor heating on the ground floor and triple glazed windows throughout. The property also comes with a 10 year structural warranty offering prospective purchasers peace of mind.

The grounds are accessed by entering a large sloping driveway, conveniently offering parking for multiple vehicles. The property is entered through an attractive composite front door leading to an expansive Hallway benefitting from an under stairs WC. Off the Hallway is a generous Lounge that is light and bright. Opposite is a flexible space

presented as a ground floor En Suite Bedroom that could alternatively be repurposed as an additional reception room or that all important work from home space.

At the rear of the ground floor is a most impressive Family Kitchen. This expansive room is designed to be the hub of the house whereby the family can spend time together cooking, eating, relaxing and socialising, with the bi-fold doors can be opened to extend the room to the incorporate the rear garden. The Kitchen is of a contemporary design and packed with a NEFF appliances including integrated dishwasher, stacked inset electric oven and microwave and five ring induction hob which are complemented by a Beko American fridge freezer. The Kitchen units are contemporary and sleek with handleless doors and have a high gloss finish. A contrast quartz counter top in a marble effect also extends to provide a seamless splash back. Off the Kitchen is a convenient Utility Room plumbed for a washing machine and dryer and also provides access to the garden plus the integral garage.

The remaining En Suite Bedrooms are located on the upper floor, the Master of which runs the full width of the property providing an excellent space with an area designed to incorporate an area as a private lounge. This is further enhanced with the benefit of having its own Dressing Room as well as an En Suite

Bathroom complete with bath, separate shower cubicle, wash basin and WC. There are two double Bedrooms, both with En Suite Shower Rooms, with one of the Bedrooms also having the benefit of a Dressing Room. Each of the upper floor En Suites have electric underfloor heating, as well as the same contemporary look and feel with matching floor and wall tiles, sanitary, fixtures and fittings.

The developer is willing to reconfigure the layout of the property at no additional cost to create four Bedrooms on the upper floor, therefore either altering the property to five Bedrooms, or retaining four Bedrooms with an additional Reception Room.

Externally, the rear and side gardens, through a combination of fencing and mature shrubs and bushes provides privacy. They are substantially laid to lawn, enhanced by attractive patio tiles laid immediately around the property boundary at the rear. To the front, a single Garage has an electronically operated door, power and light and is also home to the Worcester oil boiler, pressurised water cylinder and electrics.
