Presented to a beautiful standard is this cosy end cottage located within close proximity to Rainford Village.

The property has recently been fully redecorated and had a high spec kitchen installed, the kitchen having a host of integrated appliances including oven, hob, microwave, fridge, freezer and wine cooler saving a potential buyer thousands on appliances.

The property also has the additional bonus of off road parking via a lengthy driveway to the side of the property.

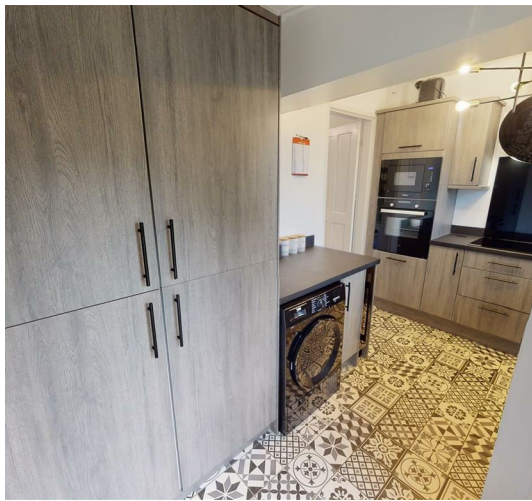

Upon approach, the property has just had a new composite front door installed, and has a bright and airy entrance hall. The living room has light flooding in via two windows to the side aspect, a lovely, new feature fireplace, stairs to the first floor, and the new, stunning kitchen with French doors onto the rear garden.

The first floor has two double bedrooms and a white suite bathroom, and there are stairs to the loft room which is used as a third bedroom, which is a spacious double.

There is a lawned garden to the rear, and the property is fully UPVC double glazed and has a modern heating system. Not to be missed, this truly is a stunning home and would make an ideal first time buy!
