Description

Set in a pivotal position on the northern tip of the Island, 1 Dane's Yard's contemporary office space spans five storeys and commands a prominent High Street setting.

The Cross Laminated Timber (CLT) structure has excellent thermal efficiency and low running costs, with its heating supplied through Sugar House Island's district heat network.

Dane's Yard is the Creative Quarter and first phase of Sugar House Island, located just a stone's throw from Stratford. It's an eclectic, canal-side quarter with a mix of characterful offices and outdoor spaces. Tight alleyways, roof terraces and carefully crafted courtyards let conversation, creativity and collaboration flow.

Sugar House Island's award-winning vision will bring together a growing community with 1,200 new homes, 624,000 sq ft of office space and a mix of restaurants, retail and leisure occupiers amongst the waterways of east London.

Join the wave of tech, fashion and creatives forging east and play a role in carving this exciting part of the City. Effortlessly connected to the rest of London and with dedicated bike routes such as the Cycle Superhighway and Jubilee Greenway passing by parks and canals on their way to the Island, getting to and from work will be safe and scenic.
