Burlington Gardens

Internally the new owner will be greeted by a welcoming entrance hall complete with understairs storage cupboard.

Worthy of special mention is the stunning lounge come diner. The main living area measures 12'5 x 11'10 into a feature bay window. Sitting opposite the living area is the dining room which measures an equally impressive 12'2 x 10'11 with a large window which floods the room with natural light.

Completing the ground floor living accommodation is the smart kitchen suite which was fitted in 2021. Providing a wealth of worktop space and direct access to the garden the kitchen is great for growing families.

The first floor commences with a spacious landing allowing access to three bedrooms and the family bathroom suite.

The master bedroom measures a generous 11'9 x 10'6 into a feature bay window, bedroom two is equally generous measuring 12'4 x 10'9 whilst bedroom three measures 8'7 x 7'5.

The family bathroom suite measures 6'11 x 5'11 and consists of the W/C, washbasin and bath with overhead shower.

Externally the property benefits from a pleasant rear garden which is unoverlooked whilst to the front there is an enclosed, smaller area of garden. The street provides an abundance of permit parking with permits ranging in price between £30 - £40 per annum.

Situated within close proximity of local shops, amenities and rail links into London via Chadwell Heath Station the location is perfect for growing and already larger families.

Internal viewings come strongly recommended as opportunities to acquire homes of this calibre truly are few and far between.
