Selby Road

Internally the new owner will be greeted by the cosy entrance hall which in turn allows access to both of the reception rooms and the kitchen.

The main living room measures 12'8 x 10'10 and interlinks wonderfully with the kitchen. The kitchen measures a further 8'5 x 7'8 and provides a wealth of both worktop space and storage space. Both rooms interact with one another fantastically and provide the perfect environment in which to both entertain and relax.

The second of two reception rooms measures a further 11' x 9'6 with a feature bay window. At present, this room is being used as an additional reception room however, given its size it could comfortably act as a children's playroom, a home office, or even a ground floor bedroom which is a great illustration of the property's versatility.

The first floor commences with the cosy landing which allows access to both bedrooms and the family bathroom suite.

The master bedroom measures 12'9 x 11'2 whilst bedroom two measures a generous 10'11 x 7'10. Bedroom two also benefits from a large storage cupboard over the stairs.

The family bathroom suite measures 8'1 x 4'6 and consists of the washbasin, W/C and bathtub with overhead shower.

Externally the property profits from a courtyard-style rear garden complete with a brickbuilt storage shed. To the front, there is a smaller area of enclosed space perfect for bin storage and/or the storage of bikes.

The road offers an abundance of permit parking.

The property is situated within walking distance of local shops and amenities and within walking distance of Custom House Station too. The location offers something for all ages and for all of the family.

Being sold with NO ONWARD CHAIN, internal viewings come strongly recommended so all that this wonderful home has to offer can be appreciated and acknowledged firsthand.
