Worthy of special mention is the incredible open plan kitchen, living and dining area which measures 16'6 x 11' providing the perfect environment in which to both entertain and relax. The kitchen measures 11' x 7'9 with the lounge/dining area measuring 11' x 8'8. Both areas interact perfectly with one another and generate a very social feel to them.

Both bedrooms are sizeable double bedrooms which is a fine feature within itself, the master bedroom measures an incredible 15'1 x 9'3 with storage over the stairs whilst bedroom two measures a further 8'10 x 8'4.

Completing the living accommodation is the family bathroom suite which measures 7'9 x 6'3 and consists of the W/C, washbasin and bathtub with overhead shower.

Externally this home continues to impress with a huge area of communal garden whilst to the front there is an allocated parking space which acts as driveway parking for the property.

The property is situated just a very short walk from local shops, amenities and rail links direct into London whilst 'Victoria Park' is just a stones throw away too.

Internal viewings come strongly recommended so that one can appreciate all of the time, care and attention to detail the current owners have invested into bringing this home as close to perfect as possible.
