Caxton Way

This home still feels like new from the moment you enter, having been kept immaculately by the current owners! The ground floor is flooded with light and begins an entrance hall which is uniquely accessible from the front and rear of the property to your own convenience. The kitchen is ultra-modern and boasts integrated appliances and an abundance of surface and cupboard space whilst maintaining enough space for a dining table and chairs. The lounge measures 13'10 x 10'6 and has double doors into the rear garden. There is also a ground floor WC and two storage cupboards to complete the downstairs layout.

The first floor begins with a gorgeous landing, maximising the intake of natural light and casting viewings over the estates walkways and green. The floor hosts two double bedrooms, with the smaller of the two being utilised as a large home office. There is also a faultless three-piece bathroom suite with shower over bath. The top floor hosts another two double bedrooms, with the master benefitting from an en-suite with a walk in shower. The other bedroom has fitted wardrobes. The loft is exceptionally spacious and fully boarded with a pull down ladder.

The corner plot of this home gives the feeling of external space around the property. The rear garden is SOUTH FACING and easy maintenance and there is a tandem driveway to the side/rear of the home. There is also some external storage as a garage supplement.

We cannot stress the importance visiting this home to see it first hand, call us today to arrange your appointment!
