Fauners

The scope of this home is phenomenal! The property begins with an entrance hall which hosts the stairs, under-stairs storage and adjoins two large rooms downstairs. The kitchen measures 12'0 x 9'4, boasting an abundance of cupboard and surface space as well as a pantry. The lounge is equally impressive, measuring 11'6 max x 16'0 and overlooking the expansive rear garden. Bedroom 1 measures 10'1 x 14'1 and bedroom 2 measures 9'2 x 10'11 which accompanying built in wardrobes. Both are fantastic double bedrooms! There is also a three-piece bathroom, completing this internal layout.

The external benefits separate this home from its competition. The WEST FACING rear garden is huge for a two bedroom home, sat on a corner plot and wrapping around the side of the home as well as the rear. The owner has cleverly added a driveway which is accessed from the rear of the garden and they have also added a gate into the railway station car park which drastically reduces the walk to the station. The space to the side of the property is large enough for a single or double storey extension (subject to planning) or it can simply be used to incorporate a garage/large storage shed.

We highly recommend viewing this home to see the potential on offer and the convenience of its location. Call us today to book a viewing!
