Guide Price

Broomfields

This home has been much improved by the current owner with a slight change in layout to the original build. The property begins with an entrance porch which opens up into an entrance hall style area. This adjoins a ground floor WC and then opens up into what has been turned into a large kitchen. There is ample cupboard and surface space in the kitchen and there is an adjoining utility area (previously the main kitchen) which offers even more space! To the rear of the home is a large lounge which measures 12'7 x 17'7 and this has been cleverly extended on with a delightful conservatory, measuring 9'4 x 15'5. To complete this ground floor layout are a big storage cupboard and a further cupboard under the stairs.

Upstairs is equally impressive with three large bedrooms. Bedroom 1 measures 15'8 x 8'3, bedroom 2 measures 12'10 x 9'2 and bedroom 3 measures 12'3 max x 7'11! There is also a three-piece bathroom suite and a roomy airing cupboard.

The garden is SOUTH FACING and a good size but currently taken up by a large storage shed which can be taken away for a buyer. There is also plenty of communal parking bays outside the front of this home, making this a perfect property for a first time buyer or a family!

These homes traditionally sell very fast so call us today to book a viewing before it's too late!
