Challock Lees

Internally, this smart home begins with an airy entrance hall which leads through to the lounge. The lounge measures 17'6 x 13'0, hosts the stairs and benefits from a large south-west facing window which floods the room with natural light throughout the day. The kitchen is located at the rear of the property, measuring 8'10 x 13'0 and boasting an abundance of cupboard and surface space. There is a large window and a rear door into the garden. Upstairs host TWO DOUBLE BEDROOMS almost identical in size and a three-piece bathroom with shower over bath.

The garden wraps around the side of the home, maximising the corner plot with designated sitting area, storage area and grass area. There is also a side gate to the garden and a rear gate which opens on to the driveway. The driveway is long enough for at least TWO vehicles and there is also a GARAGE.

Homes in this area are incredibly popular and we cannot foresee this being available for long. Call us today to organise an appointment and see the home first hand!
