Camellia Place

Internally the new owner will be greeted by the inviting entrance hall complete with both ground floor W/C and storage. The entrance hall allows access to both the kitchen come diner and the main living room.

The kitchen, fitted in 2019 measures 14'10 x 5'10 and opens onto and into the dining area which measures a further 9' x 8'10. The kitchen area offers a wealth of both worktop space and storage space whilst the dining area is flooded with natural light.

The main living area measures 14'10 x 11'8 and provides the perfect environment in which to both entertain and relax.

You can access the garden via both the kitchen and the main living room.

The first floor commences with the landing which allows access to all three bedrooms and the family bathroom suite.

The master bedroom measures 14'10 x 8'4, bedroom two measures 14'10 x 8'2 whilst bedroom three measures a further 11'8 x 5'5 complete with a large storage cupboard over the stairs.

Completing the first floor is the family bathroom suite which measures 6'6 x 5'5 and consists of the W/C, washbasin and large walk-in shower.

Externally is where this home excels and steps ahead of its competition with a beautifully landscaped rear garden which allows access to the garage. The garage measures 16'10 x 7'9 complete with electric and power. There is driveway parking in front of the garage for the new owner too.

Having direct access into the garage is a rare but priceless feature and a real selling point in our eyes.

Situated within walking distance of local shops and amenities and just a very, very short walk from rail links direct into London the location is perfect for convenience and offers something for all of the family and for all ages.

Internal viewings come strongly recommended so that one can appreciate the time, care and attention to detail the current owners have invested into bringing this home as close to perfect as possible.
