Internally the new owner will be greeted by the practical and family-friendly porch complete with ground floor W/C. The porch measures 5'4 x 4'3.

The entrance hall leads off of the porch and measures a further 8'10 x 7'1 with stairs leading to the first floor. Given the size of the entrance hall this could comfortably double up as a home office area or larger area of storage, a good illustration of the versatility the property is able to offer.

The impressive lounge come diner measures 26'6 x 10'10 and provides the perfect environment in which to both entertain and relax.

Completing the ground floor living accommodation is the kitchen which measures a further 14'8 x 11' and provides a wealth of both storage space and worktop space. There is also access to the garden from the kitchen and the lounge come diner.

The first floor commences with the spacious landing which allows access to all three double bedrooms and the four-piece family bathroom suite.

The master bedroom measures 13'4 x 10'10. bedroom two measures 11'3 x 10'10 whilst bedroom three measures a further 11'2 x 9'1. All three bedrooms are sizeable double bedrooms which is a fine feature within itself.

Completing the first floor is the four-piece family bathroom suite, this measures 11' x 8'2 and consists of the corner bathtub, large walk-in shower, washbasin and W/C.

Externally there is a pleasant and low maintenance rear garden with both storage and rear access whilst to the front there is a smaller area of garden. The front opens onto a quiet walkway and both the front and rear offer an abundance of communal parking.

Situated just a very short walk from Pitsea Town Centre and rail links direct into London the location offers something for all of the family and for all ages. The property is also able to boast strong access to both the A13 and A127
