# Danbury Down

The internal layout of this home begins with an inviting entrance hall which hosts the stairs and leads through to both the lounge/diner and kitchen. The kitchen is located at the front of the home and boasts newly fitted kitchen units which offer an abundance of cupboard and surface space! There are also integrated appliances including full length fridge and freezer, dishwasher and microwave! The lounge/diner stretches across the entire rear of the home, measuring 11'5 x 17'5 and boasting a large window which overlooks the rear garden as well as a door for access.

Upstairs is equally generous for space, offering two double bedrooms and a family bathroom. Bedroom 1 measures 9'7 x 14'0 and benefits from a large storage cupboard which sits over the top of the stairs. Bedroom 2 measures 11'6 x 10'7, bigger than some master bedrooms! The family bathroom is a three piece suite comprised of bath, toilet and sink.

Externally are some of the key selling points to the property. The rear garden is a fantastic size and notable WEST FACING, seeing the sun throughout the afternoon! There is a side access gate which is very helpful for gardening tools and bins. There is a dropped curb which leads to a stoned driveway at the front of the home, large enough for two cars side by side.

We highly recommend viewing this home as it is bound to sell very fast, so call us today to organise an appointment!
